Release and Restitution for Chimpanzees in U.S. Laboratories

Release and Restitution – A CD-ROM Video

Project R&R's 16-minute self-directed presentation is an easy way to spread the word about chimpanzees in laboratories and inspire a groundswell of support for their release into sanctuaries. **Order** a copy to show to friends and family. Or for a limited time, get a **FREE** copy by **joining NEAVS** now!
